Introduction

Creating Space for Your Organisation

At Cancer Fund for Children we understand the devastating impact a cancer diagnosis and treatment can have and that beyond the essential clinical care, there is a family life that needs to be rebuilt. We provide practical and emotional support to young people (0-24) diagnosed with cancer, young people who have a parent diagnosed with cancer, and their families.

When families aren't staying in our therapeutic short break facility, we are able to offer the space at Daisy Lodge, as a venue for your organisation's event, meeting or team building days. In return we ask for a donation to help us connect, empower and strengthen young people and families impacted by cancer.

“ When you live in the rollercoaster ride that is caring for a child with cancer, you need a complete safe haven that will relax you mentally, physically and emotionally. Cancer Fund for Children provides all this. ”

- Parent

“ We like to support a local charity so Cancer Fund for Children's short break centre was the perfect venue to hold our manager's meetings. The staff were welcoming and friendly, the food was amazing quality and Daisy Lodge is set in a picturesque and quiet location. By using Cancer Fund for Children's facilities our company has also helped to make a difference to the lives of children and young people impacted by cancer. ”

- Collins Aerospace
