

TIPS FOR SETTING UP A...

JustGiving™

PAGE

- 1 Go to www.justgiving.com.
- 2 Log in to your JustGiving account, if you don't have an account you'll be prompted to set one up.
- 3 Click on 'Start Fundraising' at the top of the page and search for Cancer Fund for Children.
- 4 Let us know what you're doing to raise money. Are you taking part in an organised event, celebrating a personal occasion, raising money in memory of someone or taking on a personal challenge?
- 5 If you're taking part in an organised event, search for and select the right one. If you can't see the event listed, select 'create your own to continue' on the right hand side.
- 6 Make sure to add a story, include photos and even set a fundraising target which will encourage your colleagues and family or friends to get involved and make a donation!
- 7 Choose your JustGiving web address - this is the link that you will be sharing with friends and family for them to donate to the page. It's best for your web address to include your name/team name
- 8 Click 'Create your page'.
- 9 Once you are happy with your page and made it live, start sharing your link! Send it to everyone you know via text, WhatsApp, email or share on social media.
